Contemporary, urban, inspirational 15 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: Contemporary, urban, inspirational "The Destiny Of Man" is Wade's second recording project. His first was "The Love We Share", recorded in 1996. Wade is a vocalist/songwriter/producer/musician who does all recording in his own Spoonfed Recording Studio, located in his home. This is Wade's "mission". He feels he has been blessed him in so many ways and he feels guided to pass the Lord's message on to others in his own unique way. This CD includes the song, "Welcome Into My Heart", with lyrics written by Wade's talented sister, Emma. The title cut is actually a poem written by Wade's late father, W.H. Witherspoon, which Wade composed background music for. Other songs include "Make A Change" performed by the vocal group Wade was an original member of, Promises, and "Praise Him", featuring PLAIR. You must experience the CD for yourself. Please don't forget to check out Wade's latest project, "The 3rd Project" also on CD Baby at cdbaby.com/witherspoon2. That site has an expanded bio and a listing of local performance dates. Wade can also be heard doing vocals and guitar on the PLAIR CD "29:44" and playing bass on 5 tracks of Rudy Currence's CD "More Than You'll Ever Know". Both of these CDs can be purchased on CD Baby as well. The CD is dedicated to the memory of Wade's mother, who passed in June of 1995, and father who passed exactly one year and 5 days later in June of 1996.
