Destined to be a star..... Creative sound and approach that keeps the listener wanting/needing more. 15  
MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: What ever happened to style?  
What ever happened to originality? In a time when hip hop is concentrating on gold teeth and 24" rims,  
the Wiz Kid has focused on snapping hip hop back into reality. Wiz started off rocking shows on the  
Westside of Phoenix, putting it down with local legends like Cause and Effect and T-N-T. As his talent  
grew, so did his ambitions. Soon Wiz and his crew were bringing down the house at the Celebrity  
Theater's Battle of the MCs competition. This was just the beginning of his musical journey. Wiz soon  
found himself stompin in Montgomery, AL, with part of producer Rick Rock's contingent the Crumb  
Snatchers. This is where he broadened his talent as a producer and truly came into his own on the Mic.  
This is also where and when Maestro Music was formed. As you know, even when you shine, you can  
never be too polished. Lexington, KY would be the Wiz Kid's next stop. The Wiz Kid and Maestro Music  
would be brought to another level, when teamed up with The D.R., Da Lyrical Whip, K-5, and Dreadlock  
the Hustler. After opening his own recording studio called Maestro's Soundlab, the Wiz Kid along with his  
click made the sound of Maestro Music, one of the hottest in the city. With the Wiz Kid's solo debut, "In  
Love With a Lie", you hear a unique blend of east coast grit meeting west coast style. His cd will make  
you go from sittin back thinking to sittin back drinkin and back again, as it gracefully glides from track to  
track. With a sick mix of street smarts and book smarts, the Wiz Kid proves to the world that he is truly a  
"Nerd that'll whoop yo ass!"
