

## Mp3 Zilla - Egg

[DOWNLOAD HERE](#)

100 live, organic electronica. Spontaneous composition meets uncontrollable musical fury in a flow of epic proportions. Humanized DJ set soundscapes by actual humans - no loops or sequences. Enjoy... 13 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Down Tempo Details: ZILLA is a Colorado based trio of musicians with the live musical experience in mind. A 100 organic, improvised creation, each ZILLA concert proves to be a completely unique occurrence, with even the band members having no idea where the music will take them night after night. Relying on their uncanny ability to listen and incorporate their individual talents into a group focused brand of live electronic dance music, ZILLA is sweeping the world by storm with their rare breed of beats, bass and uncontrollable musical fury making each performance exactly what live music is all about: spontaneity, flow, grooves and a damn good dance party.
