

# Satires Of Rome

[DOWNLOAD HERE](#)

Provides a complete, excitingly new, and socially and politically contextualised survey of Roman verse satire. This survey of Roman satire locates its most salient possibilities and effects at the center of every Roman reader's cultural and political self-understanding. This book describes the genre's numerous shifts in focus and tone over several centuries (from Lucilius to Juvenal) not as mere 'generic adjustments' that reflect the personal preferences of its authors, but as separate chapters in a special, generically encoded story of Rome's lost, and much lionized, Republican identity. Freedom exists in performance in ancient Rome: it is a 'spoken' entity. As a result, satire's programmatic shifts, from 'open' to 'understated' to 'cryptic' and so on, can never be purely 'literary' and 'apolitical' in focus and/or tone. In *Satires of Rome*, Professor Freudenburg reads these shifts as the genre's unique way of staging and agonizing over a crisis in Roman identity. Satire's standard 'genre question' in this book becomes a question of the Roman self. EAN/ISBN : 9780511032790 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Freudenburg, Kirk
