Re: Provide great customer service and earn a passive income while doing it. Yes, It is now possible to: Protect your email address from the unscrupulous harvester. Receive 100 of your support emails. No more missed contacts. Spotlight an additional product to anyone who contacts you for support. FREE Private Label Rights Included * Sell the script for profit while providing an easy to install Super HelpDesk Girl. " Support&Profit " is a brand new Super Help Desk Girl script with many benefits: Protect your email address Avoid email harvesting Dramatically reduce spam with our Super Help Desk Girl script. You don't have to give out your email address to strangers anymore. Use your helpdesk link instead, and make a professional impression at the same time. Your email address is hidden from the user and email-harvesting spiders. (Of course, trusted members can always email you to obtain your email address for a more personal contact.) "Internal Mailing" - Receive 100 of your support emails Serve your members BETTER ! Your members can contact you from a page on your own web space. This allows you to receive 100 of your support emails by using the mailbox provided by your web-host. No more lost emails. Finally beat those nasty spam filters. Easy to install script - No Database This script is extremely easy to

install. No database is required. Comes with detailed installation instructions. Private Label/ Re-sell Rights included Private Label Rights and Full Source code & Graphics included. You can easily customize this script and brand it with your own company name. Integrated stats tracker Integrated in the script is an ad-tracker, that allows you to log the visitors to your helpdesk and to your download page. This can easily be enabled in the configuration file. You also get the script to add logging to any page you want. Passive Income This offer will be in front of every customer/member who visits your helpdesk for support. Start earning money for what you already do every day. Finally, it becomes Fun & Profitable to give out your contact info ! Order the Super Help Desk Girl script Includes: Private Label Rights. Make it look like the Super Help Desk Girl script was custom programmed for your site. Detailed installation instructions included.
