WP Auto Peel Plugin GRAB Your Visitors Attention Back And Boost Your Income (And Subscriber List) Just By Placing A Simple Corner Peel Ad On Your Site WP Autopeel is both a standalone script and a WordPress plugin for your convenience. So you can run it on both static HTML sites as well as WordPress blogs. What it does is create a really cool looking page peel effect in the top right hand corner of your web page. This draws the eye and compels people to click it. When they click to see what it is, they're directed to a new page and you make your offer. Now all you have to do is put in a small amount of effort to create your ad and then watch your site visitors click it. P.S. I have decided to add bonus plugins to this offer that allow you to benefit even more from WP plugins with little additional effort...these are yours to keep no matter what! I reserve the right to discontinue this bonus offer at anytime or even

make it an upsell offer, so grab your free bonus today as a reward for placing your order today!
