Intimate Invasion, Book Three This series is an independent spinoff of the Crimson Carousel series. Genetic manipulation and generations of selective breeding have created a race of hybrids more ferocious than any the Froswick or Terran dimensions have ever faced before. The only hope of defeating these creatures is to strengthen the alliance between Nac O'te warriors and Earth's Paranormal Elite. Rhys approaches Arabel hoping to outline the new alliance, but she turns him away. She will protect her dimension and he should do the same. Infuriated by her arrogance, Rhys summons Javier, a reformed Setti hybrid who has been specifically engineered for seduction and virility. Javier takes Arabel captive and launches an erotic campaign on her senses. In the arms of this feral hybrid, Arabel learns the pleasure of surrender and the true meaning of leadership. Reader Advisory: The very vicious and naughty Sylina makes a return appearance in Forced Alliance. As always, whenever Sylina is around, sexual interaction takes on new dimensions, and one man will learn the enjoyment of m/m/f under her tutelage.
