

How To Start A Business Without Any Money - Rachel Bridge

Do you dream of starting your own business but don't have any money? What if you could set up a venture with nothing but a good business idea and the determination to make it work? It's an appealing idea, particularly in the current economic climate where no one has cash to spare and austerity rules the day. In fact, studies show that more people start businesses during recessions than at any other time. The good news is that it can be done, provided you follow a few golden rules. Based on Rachel Bridge's popular workshops, this book will help set you on the way to success. As the former Enterprise Editor for the Sunday Times, Rachel has interviewed hundreds of successful entrepreneurs. Join her on her journey as she starts up her very own enterprise, entrepreneurthings.com, and covers all the ups and downs she encounters, while giving examples along the way of how real-life entrepreneurs have coped with the same problems that beset everyone in business at some point.
