Brea's music is a unique blend of some of her favourite singer/songwriters. From artists like Alanis, Martina McBride and Sheryl Crow, Brea has been inspired to write honest and upfront songs about her life, and the lives of those around her. 16 MP3 Songs COUNTRY: Country Rock, POP: Pop/Rock Details: No Regrets is a remarkable debut CD by a gifted singer/songwriter. This is music that must be heard and Brea has a story that must be told. Brea has been inspired by the likes of Alanis and Martina McBride, and some of her fans say she's a musical blend of Sheryl Crow and Michelle Branch. One thing is clear...like all of these artists, Brea is fearless when it comes to writing about what she feels. No Regrets is the music that happens when real life, comes slammin' in at a young singer/songwriter just starting out. Add some personal struggles along with the uncertainties and disappointments of the music business and you've got the recipe for some heartfelt country/pop/rock songs. During production of No Regrets, Brea learned some tough lessons about life and death ...and making it through. Yes, this is the stuff of country music. No Regrets also reflects Brea's optimism, youth and love of life. Her inspirational songs and unique sound make her an original.
