We provide quality acoustic sounds and timely, constructive lyrics that are based on a desire to see the world change. That's right, we're a group of Christians who believe that we've been given the opportunity to share the beauty of a life with Jesus with the rest of the world through music. But that's not all. One of the things that drive us is that we believe that each person on this earth has the potential to shine--no matter where you come from or what you've done. Sound good? We think so, too.
