Details: In school, the teachers noted that "Clark has imagination" BUT "He won't refrain from disturbing others." Not much has changed. Clark just CAN'T sit still! The constants and contrasts shared by people from around the world feed and shape his vision. Clark calls three cities his home: In Seattle, he might be found holed up writing in his woodshed. In Nashville, he sings frequently at songwriter rounds. Munich is his base for touring in Western Europe. No matter where he hangs his hat, Clark continues to pen unique interpretations of his world. It's a world in love and in loss, in clarity and confusion. He digs deep to find universal themes that connect us all. His new album, "A Complicated Cake" is a sweet yet complex look at life. Clark has been featured by National Public Radio, USA Today, Yahoo News, Reuters, Spiegel, Car Talk and other worldwide sources.
