Excellent food for your libido. 11 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock Show all album songs: Love's a Woman's Game Songs Details: Based on the fact that the music world is continuing its shift towards the digital arena, and after contemplating excellent opinions and positive responses from various internet music fans and lovers of quality musical product, Mackin Enterprises is marketing the very unique cd Loves A Womans Game. Loves A Womans Game, is a studio creation composed of five female vocalists and well skilled studio musicians, with each being chosen as an artist chooses his colors, resulting in a love song, songs of love, masterpiece which introduces you to sensual love, from a female perspective. The many faces of love, have never, heretofore, been captured in such a musical fashion, as Loves A Womans Game. Adding fuel to the fire power of this musical work, is the fact that it contains performances by a well known Diva, exquisite Nichole Scherzinger of The Pussycat Dolls. Nichole magnificently performs the tracks, I Saw You, a haunting love ballad, and a full six minute version of Im Getting There, a well orchestrated mid-tempo love song. You will hear Nichole, as you have never heard her before, vocally, she reigns supreme. No matter what sex you are, no matter what your sexual preference, Loves A Womans Game, is food for your libido
