California Reggae/Ska infused with Rock, Hiphop and Jazz 13 MP3 Songs ROCK: Ska, WORLD: Reggae
Details: Formed in 2001 at UC Santa Barbara, Fuzzy Logic brings together a wide variety of reggae and rock influences in a groovy danceable sound. Singer and guitarist Dooby comes from Merced, CA, bassist Brendan and drummer John hail from Albuquerque, NM, and saxophonist Joe is from San Jose, CA. Since the beginning, the band has been playing shows nonstop in Santa Barbara and throughout the Southwest, bringing their irie vibes to huge crowds at parties, bars, and other venues. Fuzzy Logic's debut CD, Beached and Deserted, was recorded in August 2004 in Cerrillos, NM, at the same studio used by the famous roots reggae band, Roots Radics. The album features 13 of the band's favorite songs with steady rhythms, tight melodies and inspiring lyrics.
