Hallucinogenic, sustained tones and drones. 3 MP3 Songs in this album (60:25) ! Related styles: ELECTRONIC: Ambient, NEW AGE: Ambient Details: The music on the "Light In Extension" CDR (hand made) consists of three extended pieces of music utilizing sustained tones, synthesizer drones and dark atmospheres. The song, "Light In Extension" is quite simply a cluster of sustained tones that build and release. "The Singing Forest" was inspired by the documentary film, Paragraph 175. This work was donated to The Florida Holocaust Museum. The last piece, "Within The Veil..." is a dark and slowly evolving atmosphere with manipulated found sound samples. Points of inspiration for this release are La Monte Young, Steve Roach, Coil and Eliane Radigue along with the teachings of The Golden Dawn.
