Phoenix Rising appears fresh and new as the result of it's members performing together in various combinations over the past 30 years. This particular combination has now gathered together in full force; bringing together the best of bluegrass, cowboy, folk, country, Americana and some incredibly talented songwriting to bring you a sound that is clean, hard driving and uniquely their own. Specializing in weddings, conventions, private parties and family oriented events, Phoenix Rising aims to provide the sound you are looking for and works hard to provide "extras" to make your event unforgettable!
