

## Mp3 Miki Miyamoto - Dear...

[DOWNLOAD HERE](#)

Pop R&B 5 MP3 Songs URBAN/R&B: Rhythm Blues, POP: Pop Details: Her sound is like a warm summer breeze, brushing pleasantly against the ear of all who hear her beautiful, seductively honest voice. She is the future -Armsted Christian SESAC Songwriter/Producer Associate Professor/Berklee college if Music Boston, Massachusetts Miki is a Japanese singer/songwriter who actively performs in NY and Boston area.Her new mini album dear includes four of her originals. Miki was born in Tokyo, Japan. She started playing the piano at the age of 4 and began study voice at 15. She was interested in R&B and soul music since her young age and inspired by Whitney Houston a lot. She also trained classical music during high school and she received an award at the prestigious 2001 Takasaki International Art Music Competition. In Jan 2003, Miki decided to attend Berklee college of music in Boston and majored in professional Music. While she was in school, she had Robin Mckelle and Armsted Christian as her private instructor and she also actively performed in and out of the school. After she graduated from Berklee, she has concentrated on her recording and performance career in the Boston and NY areas, and recorded one of her original song, Kokoro with producer Shin Miyazawa in 2005, and the song was chosen out of 150 nominations by Berklees Music Technology and Production Division, and Miki was awarded in May 2006. Now she lives in New York and expanding her performance fields, and also collaborating with many Jazz musicians and keep on working on her new recordings. Tags: pop
