It all started on a Yamaha PSR 36 copped for \$75 from a family friend. After that it was on! Point Blank emerged from the shadows of First World (Marv The Lyrical Lord). Then the Sexiun was born. Their first project self titled was released December 1999, featuring hits like Chilled At All Times. Years later and after many trials and tribulations Mista Alien has landed. The name Mista Alien originated from the fact that their music is alienated from the rest of the industry, different. The upcoming album "Area 504" will be released August 2006, featuring compilations with D.J. Hektik, J.M.S. with Tipifi Entertainment and Tantrum with All Out Entertainment. Some of their recent appearances include "Alien Nation Radio" on Hot 104.5 with The Wild Child, a mix cd with "Hot Off the Press" Promotions and "Nuthin But Fire Records" which will be available this summer and Mista Alien is also featured on the new Mix CD entitled "Survival Tactics" presented by J.M.S./Undadog Muzik which is now available.
