A fresh style, incorporating many eclectic influences that flow into a creative whole of avant rock. Complex, beautiful and absolutely brain busting. 15 MP3 Songs ROCK: Modern Rock, ELECTRONIC: Ambient Details: Three years after releasing his debut album Pilotinstaller, Slovenian extraordinary Ales Uratnik a.k.a. NON FINIRE mai produced a new masterpiece untitled "Katzenjammer". It's inspired in part by the Rudolf Dirks comic The Katzenjammer Kids from 1897 featured Hans and Fritz, twins in the battle against any form of authority. The extended meaning of this word today is unhappiness, depression, the more general sense of what one might call a case of the willies. Album is featuring experimental drummer and percussionist Adam Kriney (ex. The National Blue) from New York City as well as mastermind Camden Chamberlain (Deliccatto) and his lovely wife Vanessa (Geisha Glory) from Salt Lake City. This CD presents a cocktail of avant rock, electronic, jazz, industrial, folk and experimental music. It's beautiful, darkly seductive and absolutely brain busting. Check out new video for "Keep away from children" from the new album. Video is produced by Kiyash Monsef, featuring drama, dance and comedy actor Maurice Charierre. Go to nonfiniremaito watch it!
