

Mp3 Philip High - Highpertrybe

[DOWNLOAD HERE](#)

Contemporary fingerstyle fusion guitar that soothes and grooves with a unique jazz/world mix of electronics, percussion and more. 16 MP3 Songs JAZZ: World Fusion, NEW AGE: New Age Details: The music of composer and fingerstyle guitarist Philip High is a fusion of Jazz, Electronic, Pop and World influences. It's a unique mix that captures your attention and frees your imagination as it leads you through an exotic landscape of contemporary sounds and soothing grooves - a soundtrack for your personal adventure. The destination is a musical experience described as "Hyper-Tribal": beyond social or cultural division. This solo debut CD features the inventive nylon-string acoustic/electric guitar, digital effects, and sample loop arrangements of his live performances with the addition of percussion, "folk" instruments, and explorations into electronica.
