ELECTRONIC: Down Tempo, **JAZZ:** Smooth Jazz Details: PolyGroovers is an electronic music duo, consisting of Konstantin Gredeskoul and Telene Johnston, a couple living and working in San Francisco, USA. Both DJs with over five years of performing experience locally and internationally, Konstantin and Telene have been collaborating since 2001. Konstantin is the creative force behind the composition, arrangement and production of all songs, while Telene contributes her beautiful voice and a critical ear for what works and what doesn't. Passionate about music, the pair is continuously fascinated with the possibilities offered by modern software synthesis and composition tools. The duo's work is all about striving to create warmth, fluidity, and a smooth sound with their music, submerging their listeners into the deep atmosphere of hypnotic beats and jazzy harmonies. **MUSICAL ACKNOWLEDGEMENTS** The
