QPQQQPQ is selling two sheets of albums already. blue system is the 3rd which continues in black system white system album. Then, it concludes in red system which is sold after this. This series which ranged as about 1 year and the half year and was created is the track of QPQQQPQ. At each album, it notices each intention but blue system gets the impression which is different from the other album. We use the five senses and listen to the sound of QPQQQPQ in the all power. Listen to all albums and notice the difference with the whole body. There is that the moving which is different from each is done, but all sounds become an inveterate habit and will fall into the condition which resembled a kind of toxic symptoms. It is very difficult to see the appearance of QPQQQPQ which makes a sound. QPQQQPQ always makes a sound silently oneself. There are cares to the sound of QPQQQPQ an effort by the date, an ardor to the music there. As for this sincere posture, it never betrays us. Please take notice activity of QPQQQPQ in the future. Always, there will be surprise. For its purpose, too, please listen by all means to blue system. QPQQQPQ is a Band that Ken-zi writes music, produces and plays for himself.
