Pimpish lyrical flow from the valley. 20 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Southern Style Details: Swipe SkyWalker grew up in the hard streets of LA and at the age of 14 his parents were divorced. He went to live with his dad in Inglewood CA where he got mixed up with what some may call the wrong crowd. With this crowd he spent late nights and early mornings on the track. This is where the pimps, prostitutes, and johns play their game. He watched his questionable friends rake in the dough with these lost girls as they charged johns/customers for sex. Swipe picked it all up too well some may say. His mother got wind of what he was using his time for and put him out of her house. She refused to let even her son live in the same house with her if he was going to choose the life of a pimp. Swipe then went back to the valley to live with his pops. His pops didn't seem to care about what he did or who he did it with. Swipe started dating these white girls in his new hometown and hooked up with a cute girl named Tangy. She was a mess as of a white girl if you were to ask but Swipe saw something in her. The proposition was made and she was down, and the rest was history. Swipe Sky Walker!
