Vintage electronica from Minimum Blue -- one artist's freshman journey into electronic textures and melodic experimentation. 12 MP3 Songs ELECTRONIC: Lounge, ELECTRONIC: Techno Details: Minimum Blue is the deep-cover, secret-agent name of composer and guitarist Tom Hunt. This collection from the later half of the 1990's reflects Tom's freshman journey into electronic textures and melodic experimentation, and is an early precursor to his later work with writing partner C. Miles Cody, which led to 2007's release "Shannon Avenue". Tom's style has been described as eclectic and texture-centered, but firmly rooted in the traditions of jazz and dance. This is reflected in his choice of instrumentation, harmony and rhythm: groove-heavy, deeply layered, and a distinctive blend of traditional tone colors and electronic elements. Still fresh and alive after almost a decade since it's conception, "Exit Now" offers a fascinating and thoroughly listenable journey through one composer's musical experimentation and growth.
