

Mp3 Virginiaflame - Climb

[DOWNLOAD HERE](#)

Acoustic pop with a touch of soul and a drop of jazz. "This just walks the languid line straight to the centre of my listening senses" "An elegantly smooth voice that breathes over me like warm breezes by the sea"

16 MP3 Songs FOLK: Folk Pop, ELECTRONIC: Pop Crossover Details: Virginiaflame is a creative singer/songwriter from Australia. With a Bachelor of Contemporary Music which she completed in 2003, Virginia has independently recorded 4 albums over the last 7 years. Her latest album Climb is a culmination of 3 years of independent recording with Virginia as engineer/producer. Climb uncovers her personal feelings and her observations of this chaos called life. 15 tracks from Virginiaflame and a remix of Look at me Now from English producer Japan4. Virginia loves to connect with other musicians around the world and has been involved in music websites such as mp3unsigned, songramp and myspace.com. The world is an amazing place thanks to the internet and Virginia is delighted to share the creative juices with many other talented musicians/singers/producers from around the world. Stay tuned for many projects coming from that creative pool Here are some reviews from fans; "You've got some amazing vibrato that brings out the soul in your voice" "You really have a naturally soothing voice" "This just walks the languid line straight to the centre of my listening senses" "Love ur voice..I could fall in love with it alone" "Vocals are full of emotion" "You have the gift of creating the feeling of carefree flight in the your music, which is most enticing"
