Unlimited Affiliates Goldmine Description: To give you up front knowledge about how to effectively and profitably maintain your business affiliate system before the first affiliate even lands on your doorstep. ? To demonstrate how powerful affiliate marketing is, and why no marketer should be without it. ? To look at some figures of product sales and profit both with and without affiliate programs functioning. How effective is this? You decide. ? To open your mind when it comes to setting your commissions and understand the concept of reaping resources being far more powerful than any small percentage you can keep from your affiliates. ? To discuss the inner workings of affiliate sales through commission level setting for your business, taking into account the money making power youre going to build for yourself. ? To show you how to overcome the problem of affiliates not promoting your products for you. Submitted On: 12 Apr 2008 File Size: 142.99 Kb File Version: Giveaway Rights File Author: Zenifer
