This is the true story of one couples descent into darkness. In 1981, Jon and Carlie Summers moved into an inherited home in rural Iowa, leaving behind their workaday lives as a lawyer and a professor in Chicago. Soon after moving in, Jon and Carlie's lives begin a downward spiral as Carlie experiences violent dreams, possessions, hallucinations, and physical illness. Through old journals, nightmares, and personal encounters with evil, Carlie relives the history of the house, embodying its past of abuse, denial, obsession, broken lives, and death. Anatomy of a Haunting is a terrifying true story that leaves Jon dead and pushes Carlie to the brink of insanity. Through interviews and exhaustive research into the 150-year-old McPherson house, author Lee Strong delves into the history of the haunting and paints a nightmarish picture of one couples descent into supernatural madness.
