

Mp3 Agentmooney - Big Plans No Money

[DOWNLOAD HERE](#)

Thumpin deep country rock fiddle,lap nerve and herculean drums compound to make the best country rock this side of Chicago. 10 MP3 Songs COUNTRY: Modern Country, COUNTRY: Country Rock Big Plans No Money Songs Details: Recorded in both Nashville and Chicago, the Agent Mooney project (Big Plans No Money) offers two clear-cut musical styles. This fresh approach will surprise and delight even the most critical ears. The musicians listed come from two very different places both by address and approach. Chicagoan producer/artist Bill the Buddha Dickens initiated the project by bringing together an amazing group of performers including Leddie Garcia, Shawn Christopher, Donald Barrett, Bob Baglione, Jes Richmond, Josh Shapera, Jay Swiderski, Mark Wright, Diz, and Danny Leake. Nashville producer/artist Dave Pomeroy finalized the casting by assembling of an all star musicians including Dan Dugmore, Joe Spivey, Glenn Duncan, Milton Sledge, Jeff King, Barry Walsh, Jonell Mosser, Tim Kish Randy LeRoy Kevin (Agent) Mooney recruited Lee Oskar and the dream cast for this project was established. This dream team of superstars brought their collective talent and points of view to the project and the results are amazing. Here their talents blend to create a collage of musical textures. The CD is a shared dream of wonderful people. Its spirit shines through. "Big Plans No Money" is a recipient of an Honorable Mention from the 2003 John Lennon Songwriting Contest.
