They try to stay in touch with nature in the techno revolution, so there is a smooth folk rock with a touch of electro ambiance. 5 MP3 Songs FOLK: Folk-Rock, ELECTRONIC: Folktronic Show all album songs: My Little Sun Songs Details: Alex Maher came into this world yes, this world His first brush with pop-rock happened when he discovered the Beatles, which brought him, at 13, to pick up his first guitar. After a non-eventful adolescence and getting a degree in 2001 in accounting, Alex starts a career in marketing. Every-day life goes on, normally. Which turns out to be a problem! EVERYTHING is normal. Too normal. Nothing spurs his interest, nothing resonates, hes simply coasting through life, nothing matches the fires within, and the urge to live his grand passion, Music So he makes a choice. Alex quits his job, leaves his friends and family behind to go out into the world, exploring whats out there, different cultures, climates, and locales Is he running away?? No so much Hes actually finding himself All by himself, at the other end of the continents, he will finally come to terms with what he wants, and who he is, realizing that music, for him, is not only a hobby, but a vital way to express himself and communicate to the world the intensity that moves him A revelation...! From that point on, everything is crystal clear Alex is determined to follow his dream, wherever it may lead him, putting all of his efforts to reach his goal. Starting with vocal coaching, moving on to shows, competitions auditions nothing stops him, everything is a challenge.. After releasing 3 tentative albums, he finally finds his voice, his style, his groove Folk with a bit of electronica,.. which defines as much his love for nature, as his attachment for the cultural flavors of modern meccas.. Its with pride in his heart that Alex now offers you these 5 songs
