2006 PARENT'S CHOICE AND NATIONAL PARENTING PUBLICATIONS (NAPPA) AWARD WINNER. Anne Meeker Miller engages music listeners from age two to 99 years with her rich variety of songs for singing, signing, dancing and loving. 12 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Traditional Folk Details: Anne Meeker Miller believes children deserve to have rich musical lives from the start. A folk singer since shortly after birth, she has seen and sung it all from pop and jazz to the classics. She is the founder of a language and music enrichment program for hearing infants and toddlers called Baby Sing Sign. Through her classes, she shares information about the benefits of music, sign language and play for young children. A graduate of the University of Kansas, Anne earned a Ph.D. in music education and music therapy. She holds national board certification in music therapy from the American Music Therapy Association. Anne lives in Olathe, Kansas, where she enjoys spending time with her husband, three sons and Wheaten terrier, Cooper. The second edition of her book and music CD, Baby Sing Sign : A Play-Filled Language Development Program for Hearing Infants and Toddlers (2004) is ready and available. Her newest product is a music CD for children two to 99 years, and is called Bright-Eyed and Bushy-Tailed: More Songs to Sing and Sign with Kids and Kritters. The sixteen-page booklet accompanying the music CD gives instructions for animal signs as families sing these wonderful folk songs with a kick!
