

# Mp3 B & B Yoga And Music/bill Webb - Power Yoga Music

[DOWNLOAD HERE](#)

Powerful hand drum rhythms that flow with energy and grace. World music, Caribbean, Mediteranean, Oriental, Middle-Eastern and African styles rolled into one. Tombeks, Dumbeks, tubanos, shakuachi, guitars, orchestra, piano and more. 9 MP3 Songs WORLD: World Beat, NEW AGE: New Age Details: Composer Bill Webb introduces yet another album of Yoga music, this time for Power Yoga. Powerful rhythms and instruments that flow with energy will enhance any Power Yoga class, or any session or event needing energy. Organic instruments are used including many types of hand drums, flutes, stringed instruments, guitars, piano and orchestra. These compositions will not distract, yet will provide a rhythmic and flowing background to your energizing sessions. Consider using this 60 minutes of music for Yoga, Reiki, healing sessions, Tai Chi or any other similar practice. This music will also create a creative exciting atmosphere played as background for gatherings and events. Mr. Webb has been composing since childhood, studied music theory and composition at University of Wisconsin-Milwaukee School of Fine Arts, and has performed professionally as a pianist, keyboardist, guitarist, percussionist and flutist his entire adult life. His credits include Music Director for several shows, band leader, arranger, composer, singer/songwriter, studio musician and sideman. He continues to compose and create these CDs while helping other composers, singers and songwriters create their CDs with him as producer, arranger and co-writer at B B Recording Studios in Bedford, Texas (Dallas/Fort Worth.
