Don't know your plans on this album but I would promote it very hard cause it can open doors." --Paul, Washington State "I have to tell you that I finished listening to your download ["Lavish Love"] about an hour ago and I haven't stopped singing the hook since! Brandon and I think your new CD rocks!!!! What a great memento for us to take with us to Cincinnati! We sent one to one of his good buddies in Indy and hope to get another for my brother. I love the first, second, and last songs and of course Tapestry and Hallowed Be Thy Name. I just know you are going to be a big hit nationally someday!
