Down to earth, sonic and fluid acoustic folk rock 15 MP3 Songs ROCK: Folk Rock Details: Songs of Life..... The original group remained together and on a drive for about 1 year...Last Nov. 99 the group went separate ways for many reasons....Bobby started writing words poems at about age 7. He began playing acoustic guitar at age 17. He was working ranches in Montana then....The Army was taking everyone to Vietnam back then....After returning to Texas from there he was in a band called Sweet Apple..They played rock n roll around Mineral Wells and Ft Worth Texas for a year...Then it was onto Montana to play in many coffee houses and festivals...Those years led to Seattle Washington for a 5 month experience as a street musician. Those days were spent playing on street corners around the city and the Fishermans Market.. Eventually he landed in Chicago...playing the coffee houses around Old Town... Then it was onto a group in Northern Indiana called the Hard Time Band...They were very busy for about 3 years...playing many clubs and concerts....There were trips to Nashville inbetween....Playing in the clubs along Broadway and the BlueBird Cafe....He spend about 4 years in Church Praise Bands after that....Then came the Sky High Band...Those recordings are now on this site.....He has written around 150 songs.... Now he is working on recording all those songs ... Many of the backing vocals on these songs are by Eda Guney. She is from and still lives in Istanbul, Turkey. They've forged a friendship over the last 4 years and have recorded about 8 songs now..Never having met, they do it entirely via the internet using MP3 files .
