Pop Neo Soul Brazilian Music 14 MP3 Songs URBAN/R&B: Neo-Soul, WORLD: Samba Show all album songs: Urbano Pop Plugado Songs Details: Claudio Estevam is singer, songwriter, acoustic and electric guitar player and musical producer. Born at Rio de Janeiro, Brazil, Claudio Estevam started his career at 1986, when started to sing and play his first own tunes and other Brazilian author's songs. The young songwriter likes to blend sophisticated harmonies and melodies with refined tones and textures - acoustic and electronic instruments. His songs come from MPB, passing by Samba, Funk and going to Soul and Jazz. At the 1990's beginning, he decided to study guitar and harmony with Sergio Benevenuto at Rio Musica, because he felt the need to expand his own musical horizons. He believes that the harmony be the songwriting and arrangement's basis. At 2001, released his debut album, the CD "Outra Cor", and independant production that brings a blending of Brazilian Music, Soul, Funk, R&B and Acid Jazz. Produced and arranged by Claudio Estevam, this EP has featured participation of great musicians like: Marcelo Mariano, Joo Castilho, Sacha Amback, Jesse Sadoc Filho, Lelei, Andre Rodrigues, Lilian Valeska and Claudia dos Santos. Ever since, the artist is spreading out this album on the web through his official site claudioestevam.mus.br, the MP3 web sites, the interactive media and his concerts.
