His music (over 160 songs to date) can be described as laid-back contemporary folk rock. The songs are fresh and new, timely and well-crafted, written in a very strong on the basics storytelling style, deeply rooted in the folk music tradition. Each tune has distinct characters and messages and each song has a unique voice. Daniel has performed in San Francisco, Toronto, Australia, Thailand and at countless venues in southwestern British Columbia. He made his first demo CD in 2004 and released his debut album "Caravan of Time" in August of 2007.
