Details: Hi music lovers my name is Joseph I love good music from all backgrounds.I have Lived in the USA.Canada Jamaica spain, but i was Born an raised in London England.many moons ago when i was much younger i met Bob Marley, i remember us talking about health food. A few months later Bob moved on to Immortality.Years Later I got together with Bob marleys band and did some music wich i wrote. the songs are called Love Revolution and Always Loving You. there is also Dub versions.I later went back to London with the tunes and had a little success Later on in 2006 i decided to release the songs again when my first born son was killed tragically so had to let go of the music. while i was grieving one day i was inspired to write a song called "Thats" life" I got together with two of my sons friends an a young lady. one a rapper the other a player of insruments the young lady did backing vocals and i played instuments and the lead vocals.This is a big tune its a fusion of R an B roots and jazz its a tune that the American people will love and its also Spritual and the lyrics are uplifting.but you can judge that for yourself. I got a lot more music to come enjoy the vibes.Perfect Peace to all nations.Joseph.
