Rocking metal from a dark, creepy place, catchy and brilliant... Ride to KILL, KILL to ride. 6 MP3 Songs
ROCK: Goth, METAL: Gothic Metal Details: Killers By Trade Is the Texas Gothic Metal Conspiracy
Dedicated to music without mercy throughout the world. Created in 2004, Killers By Trade combines a classic metal sound with a vibe of the early Death Rock bands, who shaped the music we came to call "Gothic". As their bio says Killers By Trade are not a metal band, however their sound isn't totally strange to the metallers. Put some good old rock 'n' roll with punk rock and add in some SISTERS OF MERCY influences, especially on the vocals and you have the main ingredients of Killers By Trades' music. Moreover, the horror thematology of the two songs included here, "Steel" (it deal with a serial killer) and "Loup Garou" (a werewolf story); give to the band a gothic aesthetics. Call them whatever you want, either horror or Goth rockers, the sure thing is that the band's music is interesting. Nikos- "Behind the Veil" Greece
