

Mp3 Laguna! - Outside Casa

[DOWNLOAD HERE](#)

Laguna is a musical mlange of pop, electronica, house, reggae and jazz. Sequenced soundscapes add density and a strong foundation to the music. 10 MP3 Songs ELECTRONIC: Pop Crossover, POP: New Wave Details: Laguna! is an electronic art pop group based in Seattle, WA. Their style is a musical mlange of pop, electronica, house, reggae and Jazz. Sequenced soundscapes add density and a strong foundation to the music. The current group was formed in October 1998 by drummer Shane Peck. Shane Peck is the musical scientist behind the keyboard programming and drums. Shane's compositions are intricate layers of synths and tuned percussion sounds weaving throughout the material. Lydia Nor is the lead singer who likes to experiment with different types of percussion and languages. Lydia aims to evoke the mystery of faraway lands and languages in her lyrics and melodies. Keane Peterson is the bass player who fills out Laguna's sound with melodic, intricate and soulful grooves.
