Pop/Alt music, "slightly Askew of the norm, with memorable, "Beatlesy" melodies and excellent musicianship. 5 MP3 Songs POP: Beatles-pop, ROCK: Acoustic Details: Laurie Foxx's 1st jewel of a cd is as eclectic as it is beautiful. Las Vegas EAT'M conference (Emerging Artists and Talent in Music" writes. "With a voice that takes improbable hairpin turns, alternately creaking like an old oak door and floating on pink cotton clouds, Laurie Foxx sounds something like Liz Phair minus the post-hip deadpan schtick. Foxx is worth hunting down." Compared to such diverse artists as Sarah McLachlan, Joni Mitchell, Rufus Wainwright, Ben Folds, with a little Bette Midler thrown in, you won't escape from being entertained and captured by this Foxx!
