Original pop songs written and performed by artist. 10 MP3 Songs POP: 70's Pop, ROCK: 70's Rock

Details: This collection of original songs presents a variety of styles, mostly, pop related rock, top 40.

Lyricaly, the songs examine areas of human interactions, where we are in the scheme of things and just how often we ignore our fellow man and planet. For instance, "For Your Children To See" reminds us that our children are the future, and how we need to watch how we are acting so as to make sure there is a safe and bright future for them. "Man Is His Own Enemy" warns us that we are the makers of that future and need to work at keeping our planet from a catastrophic end. "Time Has Come", again, reminds us to think about how we look out for each other in our daily lives. "Keep Your Love Alive" follows a similar path. "Love Me" is a desperate love story, "Night Lady" is a social warning, and "I'm In A Bad Way" warns us not to get in too deep. "Pilot" suggest that we are who we make ourselves to be, and "Gotta Get Out Of The City" is what a lot of people are wanting to do these days. "Music Man" is what it means to be dedicated to the life of being a traveling musician. I hope you enjoy these songs, and on the lighter side, I suggest you check out my Christmas CD, "Christmas Across The Miles". I wish you the best and take care, Michael James
