Pop Rock 15 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock Details: Michael's first band "Dirt Roads" started in San Francisco playing live rock shows and recording the "Back On The Streets" album. "Into The Dark" was written while on the subway during the winter in New York but the photo on the back was taken in Seattle while attending a human rights rally. "I'm Into Yoga" was inspired by his great love of yoga and was written in Montreal, Canada while sharing a dorm with other Sivananda devotees. The pop rock edged songs were recorded at Baywest Studios in Los Angeles where Michael worked as a studio musician in the early 90's.
