"I like the overall style and sound, it's not one specific feel to everything. I think it's a very soulful composition which goes to show, no matter the media and means of creation, a true artist will always express themselves through their art." - revie 8 MP3 Songs ROCK: Modern Rock, ROCK: Progressive Rock Details: Nick Blake is a musician and writer living in Boston, MA, USA. When he's not busy working several jobs or playing in local rock band Good Little Monkey he writes records songs. Or he does the dishes, depending on how his girlfriend Laura feels at the time. What people are saying about Anonymous Twenty-Something: "Congrats on a dope CD. There is some great music and talent in this project. I like the overall style and sound, it's not one specific feel to everything. I think it's a very soulful composition which goes to show, no matter the media and means of creation, a true artist will always express themselves through their art." - Rashid Ross, hip-hop artist and producer "Your CD is really awesome." - Mike Gossweiler, drummer (Focusin) "Nick, your CD rocks!" - Katherine Deakins, singer (The Jumbles) "Wonderful! You have an awesome voice. I liked it so much I listened to it twice in a row." - friend "Wow, this is the real deal. You've done good stuff in the past, but your new CD takes your sound to the next level." - friend
