npr.org/templates/story/story.php?storyId=5504465 Dear Music Aficionado: Thanks for clicking on my
album. This is the part of CDBaby where I'm supposed to wow you with prose so that you'll be inspired to
purchase my CD. Well, all I can say is that if you put a few dollars in my pocket (i.e. buy my CD), I'll be
happy to tell you all sorts of stories. For now, though, here's some thoughts on the AGE of IGNORANCE If
I were to classify this collection, I would say it is folk/acoustic with more than just a little protest So, if you
voted for Bush more than once, supported the re-enactment of the Patriot Act and think out-sourcing jobs
to India is the next best thing to exploiting newly arrived immigrant populations; then you probably
shouldn't bother listening. I hope you enjoy the CD. Sincerely, Steve Lorig
