The Future Of Hip Hop 16 MP3 Songs HIP HOP/RAP: Rap, URBAN/R&B: R&B Rap mix Details: The Midwest is just now popping off the way it should've been 5 years ago. More people are getting record deals and more artists are getting looked at as potential superstars. The Midwest slang has become a big part of hip hop vocabulary ever since cats like Nelly Chingy stepped on the scene. But the Midwest isn't all about booty shaking getting tipsy, No that's only one aspect of the Midwest and Streetz -n- Young Deuces is here to bring the other side of the Midwest to the music community the world. Streetz -n- Young Deuces, both born and raised in Milwaukee, Wisconsin have been rapping for a minute now and have been making noise in big ways, in big states. These two blood cousins have been said to be the two to save hip hop and bring back the original flavor, style and creativity of Rap music. Milwaukee is known for many other rap artists, but none of them bring the same style and flavor to the game like Streetz -n- Young Deuces. Streetz -n- Young Deuces are in a whole different league of their own. Just by listening to their style, delivery, and lyrics, you would think these dairy and beer state natives were from the east coast somewhere, out of New York, Philly, or New Jersey. So, you can imagine how it blows people's mind, when they find out that they are from Milwaukee. Right now Streetz -n- Young Deuces is bigger than ever blazin' the underground hip/hop scenery from the U.S. to the U.K. dropping freestyle's, underground songs and exclusive material to just about any DJ doin a mixtape. Not to mention the numerous amount of material they did for magazine websites and other compilations. Streetz -n- Young Deuces debut album "The Future" is destined to be a classic no matter where it drops, and it seems to be catching the ear of nearly everybody around the world thanx to their lead single "Stop Hatin" featuring Big Business, produced by Da Hardknox. This southern based commercial song is definitely going to be 2005's Spring Summer Jam and this album will be on everybody's mind. Not to mention the outstanding

line up of producers they have on their album such as A. Dizzle, Jon Henry, T. Keyz, Da Hardknoxx and many more. Streetz -n- Young Deuces is "THE FUTURE OF HIP/HOP" and 2005 is definitely their year with the drop of their debut album and their outstanding mixtape "Welcome to The Future" it's no wonder they got Milwaukee on their back and the underground scene waiting for their release. The Industry better watch out!!! Cause We Comin!!! The debut album "The Future" in stores now !!!
