A creative blend of acoustic and electric christian rock. 10 MP3 Songs ROCK: Acoustic, ROCK: Modern Rock Details: JEB (the josh einwechter band) formed and started recording their debut album in April 2002. The band recorded 14 songs and 10 made it onto the album "What You See." They have a sound that ranges from a couple different styles, from acoustic sounds such as Caedmon's Call to electric sounds like Lifehouse. JEB has many different influences from different avenues of music which all come together in their music. Each member of the band brings his own personality into the group, which makes JEB's sound different yet familiar. JEB's primary goal is to convey a message of hope, of love and of life through their words and music.
