The story of modern farming derive sounds from these kitchen stories. Sounds that typify children, drunk people, confidential conversations, they use to paint their musical pictures. 10 MP3 Songs FOLK: Psych-folk, AVANT GARDE: Experimental Show all album songs: Someone New Songs Details: The story of modern farming, Louise Jensen (DK,80) and Jessica Sligter (NL,83), are a kind of duo that the dutch jazz-scene has never seen before. Their immense capacity to emotionally charge their playing and to fly freely past any jazz-regulations, creates an enchanting musical experience. Both their timbres have such a dreamy quality to them, you simply lift off. Until the rawness kicks in; powerful, stumbling sounds, distortion- they know exactly how to keep the audience at the edge of their seats.
