

Mp3 Tyler Byrnes - Sold My Soul To The Sun

[DOWNLOAD HERE](#)

Music: Rock/Pop. An eclectic mix of great melody driven original rock/pop music with a twist. 10 MP3 Songs POP: with Live-band Production, ROCK: Emo Details: Tyler Byrnes has been making music since discovering its power at six, lying under his family's grand piano as his brother played classical music. After playing and touring the world with The Dylan Group, he decided to strike out on his own, and express his own voice. After experimenting with a variety of styles and genres, he found his groove with Sold My Soul To The Sun, a suprising and melodic rock/pop album which twist of eclectic song writing. Check out Tracks 1 (the Goodlife) Tracks 2 (the Same Old Fear) 3 (Heaven) and 4 (Goodbye) to get a feel for the album. Tyler Byrnes music has been said to be reminiscent of ColdPlay, a latter-day John Lennon, Wilco, and David Byrne's Talking Heads. Go check out Tyler Byrnes's Website at tyler-byrnes.com
