

Mp3 William Verkler - Reducing Inertia

[DOWNLOAD HERE](#)

Easy Listening Adventures for the mind. A vast array of sound styles, and fantasy moods. Unusual 17 MP3 Songs ELECTRONIC: Soundscapes, EASY LISTENING: Mood Music Details: I love ,spooky, scary, sexy, horrific, funny and hightech movie soundtracks. I'm just getting started, and I have a lot to learn, but buried in my head is 56 years of music from South Pacific to Die Another Day, all of the GOOD stuff is in my brain. I want to do similar music, and make it even better. This CD as well as the "Phantasy" CD was done mostly with Physical Instruments, but I was able to enhance both CDs a bit with my Roland X8 FANTOM Keyboard. I've Done Three Movie Scores total, with the Movie DVD Lia Scott Prices "Dominion" Now Available for \$18.99 at customflix.com/208472 . As well as the Movie "The Guardian" and "Death Mountain" both now in Post Production, to be released soon. Check out the CDs for Dominion and The Guardian on Cdbaby. The "Death Mountain" CD to follow soon. I'm bound to get better at what I'm doing, but check out my music on CDbaby and the Dominion DVD Movie and listen to my original score and see how it was applied to the Movie. Its really neat when that score happens and comes out Great... Check out The Guardian cdbaby.com/cd/verkler and The Dominion CD cdbaby.com/cd/verkler2, ENJOY !!!
