

Through Soviet Jewish Eyes - Prof. David Shneer

[DOWNLOAD HERE](#)

Most view the relationship of Jews to the Soviet Union through the lens of repression and silence. Focusing on an elite group of two dozen Soviet-Jewish photographers, Through Soviet Jewish Eyes presents a different picture. These artists participated in a social project they believed in and with which they were emotionally and intellectually invested-they were charged by the Stalinist state to tell the visual story of the unprecedented horror we now call the Holocaust. This passionate work tells their stories and highlights their work through their very own images-never-before-published photographs from families, collectors, and private archives.
