Video MarketingCourse Part 2 - Techie Secrets Of ProWebaster "Discover The Techie Secrets Of Pro Webmasters So You Can Finally Operate Your Own Business" Because The #1 Thing Holding You Back Is Your Lack of Tech Skills! Dear Friend, If you want your own website, your own PDF and video products, your own autoresponder, and even your own WSOs... ...but you don't know how to get started... ...then this will be the most important webpage you ever land on. Unless You Finally Learn These Skills, You'll Never Get Your Business Off The Ground... Unless You're Made of Money You can't depend on hiring professional webmasters who are lazy and overcharge you for services. Every time you need to make a tweak to your webpage, for example, you can't wait on your webmaster to take his sweet time getting around to it. And you can't afford to pay someone to manage your e-mail list or create products for you... unless you're made of money. At Some Point Or Another, You're Going To Have To Learn Technical Skills Why not start now? I've designed a short 17-part video course that will show you everything you need to know to get over that technical hurdle that's keeping you down. I've made this training as painless as possible. The good news is you can learn this stuff just once then use it for the rest of your career. With These 17 Short Videos... In Less Than An Hour, You'll Discover... How to find great

Whenever you have an idea for a report, ebook, or video to create, you don't have be filled with frustration anymore that you don't have the ability to create it. You see all these internet marketers running successful WSOs, and maybe you want to launch one too, except you don't know how. No One's Born With Technical Skills If you think you're not worth a lick when it comes to technical stuff, that's ok. Why? Because I was in your shoes once too. I avoided anything technical because I always thought of myself as a non-technical person. But when I finally came to the conclusion that I can't survive online without these skills, I decided to learn them... and you know what? It's not so bad. If You Ever Plan On Becoming A Professional Internet Marketer, Then You Need To Master These Skills Unless you have an unlimited budget to spend on a full-time employee to do it for you, you MUST do it yourself. Guess what? It's not that hard at all. You'll use these skills every day for the rest of your career and after you do them a few times they'll become second nature to you. 17 Videos MP4 Format --------------------- 1 How to find great ideas for domain names 2 How to register a domain name 3 How to get a hosting account for on .01 4 How to set the nameservers for your new domain 5 How to navigate your way around Cpanel 6 How to upload files via Cpanel 7 How to upload files with a FREE FTP program 8 How check your stats in Cpanel 9 How to create a PDF with FREE software 10 How to record your screen using free software 11 How to create an account at YouTube 12 How to upload a video to YouTube 13 How to create a list inside of aweber 14 How to create a web form inside of aweber 15 How to create followup and broadcast messages in aweber 16 How to create a WSO 17 How to create a listing with WSO Pro Includes MRR [YES] Can be sold [YES] Can be offered as a bonus to a paid product [YES] Can be sold on auction sites [YES] Can sell Master Resale Rights [YES] Can be added to paid membership sites with personal use rights only [NO] Cannot be given away for free [NO] Cannot be added to free membership sites [NO] Cannot sell or give away PLR
