

Davis McCaughey: A Life - Sarah Martin

[DOWNLOAD HERE](#)

A fascinating and enigmatic man, Davis McCaughey was a theologian equally at home in the secular world. As governor of Victoria, deputy chancellor of Melbourne University, and master of the prestigious Ormond College for 20 years, he played a groundbreaking role in Australian public life. This compelling biography explores the character and achievements of a man who transcended his deeply conservative roots in Belfast to champion radical student politics. A pivotal figure in the creation of the Uniting Church in Australia, McCaughey was also regarded by many as one of the greatest public speakers of his era.
